

All Masses

Total 1055 i.e. full church

EM'S - 3, 4 P, 6, 7, 8 or D, 9,10,13,14,16,17 never move. Odd #'s Host - even #'s Chalice - black arrows people flow - numbers underlined ministers second location.

EM's 1&2 start in section 1 including the benches, then finish up section 2. First doing the Cantor and Organist, then the first row and then proceed to their locations. **EM's 3&4** do section 2. **EM's P&6** do section 3. **EM's 7&8 or D** do section 4. **EM's 9&10** do section 5.

EM's 11&12 do section 6 and the benches. If they finish before section 5 they should move to the front of section 5. **EM's 13&14** do section 7A (And any overflow) **EM's 15 & 18** do the handicapped 1-5, then the cry room, then handicapped 6-12 and if time permits helps 9&10 finish. **EM's 16&17** do 7B (And any overflow). The EM's come forward at the Lamb of God. Cups on the left side and Hosts on the right side. The EM's should line up in order at the foot of the steps prior to going up on the Altar. The cups should line up between the front wall and section 1 and the Hosts between the front wall and section 6. When 18 sees his side EM's are in place he should look across at 17. If his side is in place he should be facing 18 and they should proceed to the Altar together. All EM's try to distribute to the handicapped people in their section last with the exception of 15 & 18. The Cantor and Organist will stand in front of section 1 and be ministered first. The 2 larger cups with extra Precious Blood are for EM's 6 & 8. After receiving under both Species the EM's will proceed to their stations using the handrails to get off the Altar.

Ushers

For Communion -

Usher #1 does section 1 from the front and then the benches in the back and then section 2 from the front.

Usher 2 does section 2 from the back.

Usher 3 does section 3 from the front. He continues until he meets usher 7 in the back.

Usher 4 does section 4 from the front

Usher 5 does section 5 from the back.

Usher 6 does section 6 from the front.

When finished he directs benches to follow. If he finishes before section 5, he starts section 5 from the front.

Usher 7 does section 7A.

Usher 8 does section 8 and then 7B.

For the Offertory -

Usher 1 goes up section 1 from the left side and then the benches and then the seat in section 3 between the pillars.

Usher 2 goes up section 2 from the left side.

Usher 3 goes up section 3 from the center aisle.

Usher 4 goes up section 4 from the center aisle.

Ushers 3&4 handle 12 rows and must alternate the baskets or the basket will end away from them. i.e. - Start baskets on rows 1,3,5,7,9,11.

Usher 5 goes up section 5 from the right side.

Usher 6 goes up section 6 from the right side and then the benches. He then proceeds to the seat in section 4 between the pillars.

Usher 7 goes up the center and does both sections 7A and 7B.

The two benches by the back wall will be reserved for the ushers.

Usher 8 does section 8.
